Re: Mid-Year Report (1/1/97 - 6/30/97)
Boucher for Congress
FEC ID#: C00178418

Dear Ms. Tyndle:

I am writing to report an in-kind contribution which the Boucher for Congress Committee recently received.

On August 7, the Congressman Boucher received a letter from the AICPA Effective Legislation Committee which inadvertently advised him of an in-kind contribution made by this political action committee on behalf of his re-election campaign. The intended purpose of the letter from AICPA was to correct previous information regarding an in-kind contribution which AICPA indicated was sent to the campaign in the form of a letter on July 21, 1997. Neither Congressman Boucher nor the Boucher for Congress campaign ever received the letter. (FYI, When I called AICPA to discuss the matter, we discovered that the first letter which was sent to Congressman Boucher was addressed to an incorrect zip code. The second letter was correctly addressed.)

The amount of the in-kind contribution made by the AICPA Effective Legislation Committee on June 24, 1998 to the Boucher for Congress campaign for the 1998 primary was \$286.46. This amount was made to cover expenses associated with a breakfast event. I am enclosing a corrected Summary Sheet, Detailed Summary Sheet as well as Schedule A, Line 11c, page 17 of 17, and Schedule B, Line 21 page 1 of 1. Please let me know if I need to file pages 1 - 16 of Schedule A, Line 11 to correct the page numbers. If I do not hear from you, I will assume that I do not need to file these pages. Please associate this amendment with the Boucher for Congress Committee's report.
